10 December 2019

Dear Mr. Abdi,

On behalf of the Security Council Committee established pursuant to resolution 1718 (2006), I have the honour to refer to your letter dated 19 November and 5 December 2019, by which you requested the Committee, in accordance with paragraph 25 of resolution 2397 (2017), for an exemption from the prohibitions on transfers to the Democratic People's Republic of Korea (DPRK) to allow for the shipment of items essential for UNICEF's programmes in the DPRK, including its health, nutrition, and water, sanitation and hygiene programmes, necessary for the delivery of safe water supply to communities and children in schools, nurseries and kindergartens, and to allow for the effective treatment of individuals admitted to hospitals, in particular to assist mothers with complicated deliveries that require surgery.

I have the further honour to inform you that, following due consideration, the Committee has decided to approve the requested exemption in the abovementioned letter, in accordance with paragraph 25 of Security Council resolution 2397 (2017), to transfer the items and services outlined in your letter within the next six months, which is enclosed in this letter as an attachment. The items are requested to be shipped once together or in a consolidated manner, with a view to increasing efficiency of shipping and custom clearance.

The Committee reiterates that the sanctions measures imposed by the Security Council through its resolutions with respect to the DPRK are not intended to bear a negative impact on the people of the DPRK, and the note verbale it issued to all Member States, as well as its press release SC/13113 of 8 December 2017, offer clarifications as regards humanitarian aid to the DPRK. The note verbale further recalls that each Member State must fully implement relevant Security Council measures, while keeping in mind the need to clarify to public and private sector entities in their jurisdiction that, while properly implementing United Nations sanctions, humanitarian activities should not be unduly restricted.

The Committee further supports and approves UNICEF engaging in necessary business and financial transactions only for the purchase of goods and services exempted by the Committee and found in the attachment without prejudice to the relevant commercial decisions.

Mr. Omar Abdi  
Deputy Executive Director, Programmes  
UNICEF

At the same time, the Committee requests relevant organizations delivering humanitarian assistance to the DPRK to adhere to the exemption time limit approved by the Committee and fully respect and abide by relevant national laws, regulations, and licensing requirements governing financial and commercial transactions, and shipping and custom clearance conducted in the jurisdictions of affected Member States.

I wish to inform you that this letter and its annex will be published on the 1718 Committee website for the public, including relevant national authorities involved in reviewing the exempted transfers to the DPRK, for a period of six months.

The Committee would like to thank UNICEF for its diligence.

Yours sincerely,

*(Signed)*

Christoph Heusgen  
Chair  
Security Council Committee established  
pursuant to resolution 1718 (2006)
