POSTAL ADDRESS - ADRESSE POSTALE: UNITED NATIONS, N.Y. 10017
CABLE ADDRESS - ADRESSE TELEGRAPHIQUE: UNATIONS NEWYORK

30 April 2020

Excellency,

On behalf of the Security Council Committee established pursuant to resolution 1718 (2006), I have the honour to refer to your letter dated 6 April 2020 and the note verbale dated 28 April 2020, conveying to the Committee a request for an exemption pursuant to paragraph 25 of resolution 2397 (2017), on behalf of the nongovernmental organization Greentree International, to allow the import of items to the DPRK which are subject to the prohibitions established pursuant to paragraph 7 of resolution 2397 (2017), pertaining to a project entitled “the Agricultural Rehabilitation Project for physical-psychological development and recovery of the people with disabilities”.

I have the further honour to inform you that, following due consideration, the Committee has decided to approve the requested exemption in the abovementioned letter, in accordance with paragraph 25 of Security Council resolution 2397 (2017), to transfer the items and services outlined in your letter within the next six months, which is enclosed in this letter as an attachment. The items are requested to be shipped once together or in a consolidated manner, with a view to increasing efficiency of shipping and custom clearance.

The Committee reiterates that the sanctions measures imposed by the Security Council through its resolutions with respect to the DPRK are not intended to bear a negative impact on the people of the DPRK, and the note verbale it issued to all Member States, as well as its press release SC/13113 of 8 December 2017, offer clarifications as regards humanitarian aid to the DPRK. The note verbale further recalls that each Member State must fully implement relevant Security Council measures, while keeping in mind the need to clarify to public and private sector entities in their jurisdiction that, while properly implementing United Nations sanctions, humanitarian activities should not be unduly restricted.

His Excellency
Mr. Cho Hyun
Permanent Representative of the Republic of Korea
to the United Nations
New York

The Committee further supports and approves the Republic of Korea engaging in necessary business and financial transactions only for the purchase of goods and services exempted by the Committee and found in the attachment without prejudice to the relevant commercial decisions.

At the same time, the Committee requests relevant organizations delivering humanitarian assistance to the DPRK to adhere to the exemption time limit approved by the Committee and fully respect and abide by relevant national laws, regulations, and licensing requirements governing financial and commercial transactions, and shipping and custom clearance conducted in the jurisdictions of affected Member States.

I wish to inform you that this letter and its annex will be published on the 1718 Committee website for the public, including relevant national authorities involved in reviewing the exempted transfers to the DPRK, for a period of six months.

The Committee would like to thank the Republic of Korea for its diligence.

Yours sincerely,

(Signed)

Christoph Heusgen
Chair
Security Council Committee established
